

Disclaimer

The POPE is an asset subject to market price fluctuations like any other crypto asset.

Invest only what you can afford to lose. Neither we nor any other institution is responsible for your gains or losses.

For greater security, we recommend that you keep your POPE on your own wallet.

If you leave them on an exchange, neither we nor the exchange will be responsible for your losses in case of mishandling, loss of ID or hack.

Putting your POPE on a smart contract always involves a risk. Neither we nor the pool will be held responsible in case of mishandling, theft or hack.
